## **The Strength To Shine: Through Any Storm**

Where the plane was designed to carry up to 24 passengers, it could transport 12 comfortably when in an executive configuration.

## **The Age of Transition: Trajectory of the World-System, 1945-2025**

While the Tudor era presents an abundance of material on the women of the nobility-especially royal wives and queens-historians have recovered scant documentation about the average lives of women. Blake observes that Dankworth is red-green colour blind, which makes it difficult to read the plane's controls.
